Sub: Elimination of Zero-Transaction Branch Post Offices in Speed Post Categories

This is regarding elimination of Zero-Transaction Branch Post Offices in Speed Post Categories.

In this connection, I am directed to intimate that a 05 (Five) days Special Campaign will be conducted from **06.01.2026 to 10.01.2026**. All Divisions shall take up this campaign in mission mode and motivate all field staff to necessarily ensure transactions in all Branch Post Offices so that complete elimination of zero-transaction Branch Post Offices is achieved

During the aforesaid special campaigns, all Divisions shall strictly ensure the following:

- (1) Each Branch Post Office shall necessarily carry out at least one transaction Speed Post so that no Branch Post Office remains a zero-transaction office.
- (2) The Branch Post Offices should be discouraged and refrained from booking Zero revenue Speed Post articles (only **Service articles**) to show transactions and to get excluded from the list of Nil transaction Post Offices contributing zero revenue to the Department

All Divisions are, therefore, directed to utilize above Five-days special campaign period, to implement the instructions effectively in mission mode. Continuous and close monitoring at Regional and Divisional levels shall be ensured, and accountability shall be fixed in cases of non-performance.
