Sub: Rationalization of Mail Processing Hubs under Mail and Parcel Optimization Project (MPOP)

This is regarding the rationalization of Mail Processing Hubs under the Mail and Parcel Optimization Project (MPOP). In this context, reference is invited to this office letter of even number dated 29.10.2025, whereby 20 National Sorting Hubs were downgraded based on prescribed operational and mail profile criteria.

2. In the second phase of rationalization, 34 additional NSHs have been identified for proposed downgradation based on detailed analysis. The list of such NSHs proposed for downgradation is enclosed as Annexure-A.
3. The remaining NSHs are proposed to be retained, keeping in view critical operational considerations such as inbound and outbound mail profile, geographical conditions, and co-location with L1 Parcel Hubs, wherever applicable. The list of NSHs proposed for retention is enclosed as Annexure-B.
4. In view of the above, all Circles are requested to examine the mail profile, geographical conditions, and other relevant operational factors in respect of the NSHs proposed for downgradation and furnish their comments, if any, by 30.12.2025. After receipt of comments from Circles, a VC will be held with the concerned Circles in the first week of January 2026 to take a final decision on the retention and downgradation of NSHs.
5. Meanwhile, Circles are also requested to undertake all preparatory actions in respect of NSHs proposed to be downgraded in the second phase and furnish the following information in the proforma attached in Annexure-C:
 - a) Name of the parent NSH to which the downgraded NSH will be mapped;
 - b) Name of the NSH to which the ICHs presently mapped with the downgraded NSH will be re-mapped.
 - c) Pin mapping of ICHs (downgraded NSHs) and their proposed NSHs
6. The downgradation of NSHs identified under the second phase is proposed to be implemented in the third week of January 2026.
7. This issues with the approval of DDG (Mail Operations).

(Alok Ojha)
Director (Mail Operations)

Annexure A**List of NSH to be downgraded to ICH in Phase-2 of MPOP**
