CIF Creation Using Aadhaar Enrolment Number

- CCRC

- Document Type : IDPRF/ADPRF

- Document Code : **ADAPP** (Aadhaar Enrolment Application Number)

- Unique ID : Enter the Enrolment number in the below format without any space or special characters.
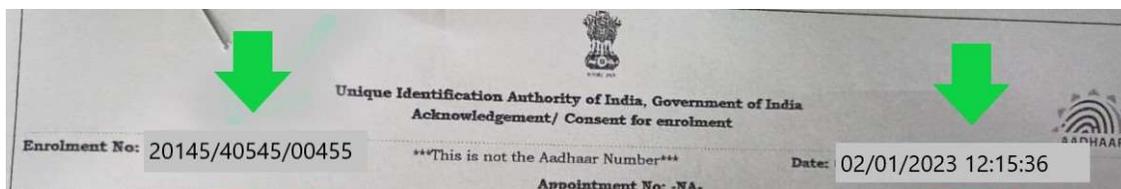

Enrolment no + YYYY + MM + DD + HH + MM + SS

** **Please Note** : In the enrolment form Date format is DD/MM/YYYY. But we need to enter it as YYYY/MM/DD in Finacle **

For Example: Enrolment number of the below image should be feed as

2014540545004552023010212153**6**

- The customer is required to update his/her Aadhaar number **within 6 months** of opening the account.
