### FOREWARD

Postal Life Insurance (PLI) has been the longest standing Life Insurance Policy and has reached many milestones. Similarly, Rural Postal Life Insurance (RPLI) which came into existence in 1995 has empowered the rural society with its affordable premium and availability next door through 1.41 lakh rural post offices.

With changing landscape of the society and greater need of insurance in urban areas, the Postal Life Insurance and Rural Postal Life Insurance have seen tremendous transformation both in terms of growth and serviceability. These have brought many changes to the Rules and demanded granular level clarities. Postal Life Insurance Directorate have been issuing many changes and revised operating procedures during these times.

I congratulate the officers of PLI Directorate for this painstaking efforts and coming up with a handy reference book that will be of immense use for our staff and officers. The digital copy of this will facilitate easy searching and retrieval of relevant Rules/Standard Operating Procedure to lakhs of employees.

### ACKNOWLEDGEMENT

As the name implies, this book is the compilation of everything which is required for successful implementation of all activities related to Postal Life Insurance. This is a universal reference document meant for our staff, officers, agents, decision making authorities and policymakers associated with PLI /RPLI.

Firstly, it contains Post Office Life Insurance Rules 2011 along with all subsequent amendments issued after the first publication. Secondly, this publication has consolidated at one place, handy tools such as Premium Tables, prescribed Accounting Procedures, Standard Operating Procedures for handling Maturity, Loan, Death and Death Claim cases, Citizen Charter and Promotional (Sales) Structure of PLI/RPLI etc. Thirdly, it contains 25 public & official-only 'forms'. This description of the Sankalan will not be complete without a mention of the Core Insurance IT Solution. In the modern era where all operations are performed on centralised software, it was the call of the hour to bring in key features of various modules & roles and responsibilities of various functionaries in the software at one place.

Secretary (Posts) and Director General (Posts) have been constantly supporting and motivating our endeavour to bring out the compendium and to bring PLI /RPLI onto a path of growth. Member PLI has been a source of inspiration and his infectious enthusiasm has pushed us to walk that extra mile to produce a quality document within the strict deadline. From the vibrant colors of the cover page to reading the fine print, Chief General Manager PLI has meticulously guided the team to ensure that this Compendium establishes a new benchmark for content and quality. I would like to thank my colleague General Manager (Business & Investment), who provided valuable insights for fine tuning the document.

This work is a unified effort of Deputy Divisional Managers of each State / UT, Single Point of Contacts and most importantly DDM (Operations) and his team at Directorate of PLI. Each one of them has contributed immensely and burned the proverbial midnight oil to ensure its delivery. I would like to thank each one of them for their profound contribution, dedication and perseverance without which collecting scattered documents would have been difficult nigh impossible. I hope that the Sankalan will become a reference document for all users.

Foundation of any strong system is in its underlying rules. Not only is it vital to make it comprehensive, updated and usable, but it is imperative to make it available to all stakeholders. This book aptly named as 'SANKALAN' brings about a fundamental shift towards better governance. This unique effort of collaborative cooperation will enable all of us to rightly interpret rules of PLI / RPLI while saving precious time which was earlier spent on searching for documents.

(i) **Provided that if any of the legal heir(s) or the nominee(s)/trustee of a policy holder has been charged with the murder of the policy holder, the policy money shall not be paid to him/her unless he/she is honorably acquitted of by the competent court of law<sup>38</sup>.**

(b) The holder of a policy of life assurance on his own life may when effecting or at any time before the policy matures for payment nominate the person or persons or religious trust to whom the money secured by the policy is desired to be paid in the event of his death<sup>39</sup>.

(c) Where the proposer gives the name of the intended nominee or nominees in the proposal form itself, the Fund will incorporate the name of such nominee or nominees in the text of the policy. A nomination, if not incorporated can be made only by an endorsement on the policy. In order to be effective, such endorsement must be communicated to the Postmaster/ Manager of Central Processing Centre (GPO/Head Post Office) for records. A nomination may, at any time before the policy matures for payment, be cancelled or changed by the assured by an endorsement or a further endorsement or a will, as the case may be, but the Fund will not be liable for any payment under the policy made bonafide by it to a nominee mentioned in the text of the policy or to be one nominated by an endorsement on the policy and registered in the records of the Fund unless notice in writing of any such cancellation or change has been received by the Postmaster/ Manager of Central Processing Centre (GPO/Head Post Office) prior to such payment.

(d) A transfer or assignment of a policy made in accordance with the provision of section 38 of the Insurance Act, 1938 shall automatically cancel a nomination (Section 39 (4)), provided that the assignment of a policy to the insurer who bears the risk on the policy at the time of the assignment, in consideration of a loan granted by that insurer on the security of the policy within its surrender value, or its re-assignment by the insurer or repayment of the loan shall not have the effect of canceling a nomination, but shall affect the rights of the nominee only to the extent of the insurer's interest in the policy.

(e) Where the policy matures for payment during the life time of the person whose life is insured or where the nominee or, if there are more nominees than one, all the nominees die before the policy matures for payment, the amount secured by the policy shall be payable to the policyholder or his heirs or legal representatives of the holder of a succession certificate as the case may be.

(f) Where the nominee or, if there are more nominees than one, a nominee or nominees survive the person whose life is insured the amount secured by the policy shall be payable to such survivor or survivors.

(g) Minor Nominee: - The holder of a policy of life insurance may, in any case where the nominee is a minor, appoint any person to receive the money secured by the policy in the event of his death during the minority of the nominee and communicate such appointment to the Postmaster General/Head of Division by forwarding the documents relating to such appointment. The consent of the appointee should be obtained at the same time as the appointment is made.

(h) Nominations as above are not permissible in the case of policy effected by any married man on his own life and expressed on the face of it to be for the benefit of his wife, or of his wife and children or any of them; in such a case the policy ensures and is deemed to be a trust for the benefit of the insurant's wife or for the benefit of his wife and children or any of them according to the interest so expressed (vide Section 6 of the Married Women's Property Act, 1874).

Provided that the said section 6 shall be deemed not to apply or not to have applied to a policy where the nomination made at any time in favour of the insurant's wife and children or any of them is expressed, whether or not on the face of the policy, as being under section 39 of the Insurance Act, 1938.

NOTE 1: -Assignment of policies made in compliance with Rule 21 (viii) (a) of the General Provident Fund Rules, which in essence, is an assignment for valuable consideration, should also be registered in the office of the Postmaster/ Manager of Central Processing Centre (GPO/Head Post Office) under this rule.

NOTE 2: -Assignment of policy as a whole may be made either in favour of one person or jointly in favour of two or more persons.

NOTE 3: -In the case of an absolute assignment, all rights of the assured are vested in the assigns by an assignment and the assigns may therefore be entitled to claim the surrender value of the policy under Rule 55 without the consent of assured.

NOTE 4: -A policy may be assigned to the President of India for the purpose of paying estate duty payable under the Estate Duty Act, 1953 (34 of 1953) in the form prescribed in Section 31 of the Estate Duty Act, 1953. When such a policy matures or is surrendered, the value of the policy or the amount of surrendered value thereof, as the case may be, shall be paid in the manner prescribed in the form of assignment. If the estate duty payable on the estate of assured is less than the policy money receivable under an insurance policy assigned to the President of India under rule 31 of the Estate Duty Rules, 1953, the Postmaster/ Manager of Central Processing Centre (GPO/Head Post Office), will arrange to pay to the Government so much thereof as may be demanded by the Government for satisfaction of the estate duty liability on the estate of the assured and pay the balance to the legal heirs, executors, administrators or other legal representatives or assigns of the deceased or other persons to whom the same may be payable under the policy.

When an insurance policy is assigned to the President of India for the purpose of paying estate duty, the assured shall within three months of the date of registration of the assignment by the Postmaster/ Manager of Central Processing Centre (GPO/Head Post Office) deposit the policy with the Commissioner of Income Tax (who is also the Controller of Estate Duty) within whose jurisdiction the assured resides. In the case of a policy assigned to the President of India for the purpose of paying estate duty, the assured shall surrender to the Controller of Estate Duty all former deeds of assignments or re-assignments, if any, in respect of the policy.

Note 5: A nominee under a policy of the life insurance has a bare right to collect the money payable under the policy on the death of the insured and give a good discharge to the insurer. The nominee does not become the owner of the money payable under the policy and he/she is liable to make it over to the legal representative of the insured. Thus the nominee acts as a receiver only, subject to the provision of these Rules.

37. A person who has once been admitted to the benefits of the Post office Life Insurance Fund shall not forfeit his right or interest in any life insurance policy purchased by him under these rules by

reason of his quitting the service in which he is employed, from any cause whatsoever except that referred to in Rule 39, provided that all payments due under the rules are regularly made.

39. Wrong information<sup>40</sup> furnished by a person or suppression of factual information by a person admitted to the benefits of the Post Office Life Insurance Fund/ Rural Post Office Life Insurance Fund will, at the discretion of the Approving Authority, render voidable the contract concluded with that person and lead to forfeiture of all payments made in the respective insurance policy, if the insurance policy becomes claim before completion of 3 (three) years from the date of acceptance of policy or revival of policy whichever is later.
40. Government officials are prohibited from making public any information of a private character obtained in the course of business regarding the Post Office Life Insurance Fund/ Rural Post Office Life Insurance Fund or any transactions relating thereto. The official violating the rule shall be liable to suitable disciplinary action against him.
41. 42. The accounts of Post Office Life Insurance Fund/ Rural Post Office Life Insurance Fund will be kept in the office of the Director, Postal Life Insurance, Kolkata.

## **MANNER OF REALISING PREMIUM**

NOTE: - (The procedure to be followed in connection with proposal submitted by Defence Services Personnel is given in the appendix to these rules.)

43. Premium is due on the first day of the month.
44. The first premium paid on any date shall represent the premium for that calendar month. The first premium must always be paid in cash or cheque by the proposer. In respect of 'pay recovery policies', the premium for a particular month shall be deducted from insurant's salary of the same month but not later than the last day of the said month except in the case of the month of March, where the salary is payable on 1<sup>st</sup> working day of April. The insured person is responsible

that the amount of the premium, which is due on the first day of each month, shall be deducted from his pay for the said month. If the premium due for any month is not deducted due to any reason from the pay drawn, the insured person should pay the premium in cash for that month and inform the fact to Pay and Accounts Officer/Drawing and Disbursing Officer. In case of such policies, where it is found that an extra premium has been received as result of switching over from 'Pay recovery' to 'Cash recovery' and vice versa, such premium shall be refunded at the time of maturity/settlement of claim. And if the premium is to be paid in cash the insured person must pay the premium at any Post Office or make online payment of premium on authorized website of Department of Posts either on the first day of the month for which the premium is due, or during the period of grace, which shall extend up to the last day of the calendar month<sup>41</sup> for which the premium is due, if the payment is made online on the authorized website of Department, or the day before the last day if the last day of the month falls on Sunday or postal holiday, in case payment is made at Post Office Counter in cash, and obtain the Postmaster's receipt for it in his premium receipt book. Payment of premia by insured person who has quit the service of Government is governed by Rule 49. The insured person may pay premium for his/her policy for any number of months at one time in cash in a post office, provided the premia are paid strictly in advance.

Exception: Under special arrangements existing in Tamilnadu, the deductions on account of premium from the pay bills of establishments employed in certain commercial undertakings of Government whose accounts are maintained on a commercial system, are made at the time of disbursement and cash for the total amount recovered is remitted to the treasury. Such deductions will be treated in the same manner as if they had been made by short drawals in the bill encashed at the treasury.

45. In case of pay recovery policy, when an insured person proceeds on leave in India or is under suspension, he/she must arrange payment of premia in cash at any post office or he/she may, if so desires, pay the premia by deduction from his/her leave salary or suspension allowances drawn. When the insured person is on Foreign Service in India or proceeds on leave out of India, he may arrange payment of premia in cash at any Indian post office. Whenever the payment of premia is made in cash at post office the fact should be intimated to Postmaster concerned. However, when an insured person is on leave out of India, he/she will not be considered as in arrears of premia for any month so long as long he/she has not been able to draw any pay and allowances, though due for the month, due to circumstances beyond his/her control. If the pay and allowances are

drawn subsequently without deduction of premia, the premia should be paid within a week positively.

46. When a policy has been assigned by the insured person to any other person, the insured person may arrange with the assigns that all the premium shall be paid from time to time by the latter, and the assigns will, with the concurrence of the Postmaster/ Manager of Central Processing Centre (GPO/Head Post Office), pay in cash the monthly premium at any post office. If the premium is not paid on or before the last working day of the month (in case of March-1<sup>st</sup> working day of April) in which it is due, the provision of Rule 56 or the Rule 57, as the case may be, will apply.
47. The Pay and Accounts Office/Drawing and Disbursing Officer of each Department will furnish to the Director PLI, Kolkata with monthly statements in the prescribed form showing all payments of premium realized by deduction from the pay of person belonging to his Department and will give credit for the total amount of such realizations in his exchange (or Central Adjusting Account) with the concerned branch audit officer of the Department of Posts with whom he is in account.
48. When an insured person is transferred from one establishment to another, the premium recoverable from him should be recorded in his last pay certificate with a view to the necessary deduction being made from his pay at the new office. The disbursing officer of the insured person should inform the Drawing and Disbursing Officer of the office where the insured person is transferred, and the insured person himself must give such notice to the Postmaster/ Manager of Central Processing Centre (GPO/Head Post Office).
49. **Policies held by persons who have left the Government Service.** - If an insured person resigns or retires or is dismissed from the service of Government, his policy holds good so long as the premium due are regularly paid by him on the first day of the month or within the period of grace at any Post office or make online payment of premium on the authorized website of Department of Posts. As soon as the connection of the insured person ceases with the Government, he should apply to the Postmaster/ Manager of Central Processing Centre (GPO/Head Post Office) for a Premium Receipt Book informing him of the name of the Post Office at which the 1<sup>st</sup> premium, while in Government service, was deducted and the Post office at which he desires to pay future premium in cash. If the Premium Receipt Book is not received by the time the next premium after his quitting government service falls due, he should pay the amount by the due date in cash at any Post office producing a certificate from his last Disbursing Officer in the form appended at the end of this rule. In such a case, the

concerned Postmaster would grant a receipt for the amount in from ACG-67. Subsequent premium will be paid in cash on production of the receipt for the previous month's premium, till the Premium Receipt Book is received by him. Thereafter, the due premium shall be paid on production of the Premium Receipt Book and receipt for the amount will then be given only in the Premium Receipt Book.

The paid up value of any policy will be the amount bearing to the total sum assured the same proportion as the total period for which premia have been paid bears to the maximum period for which premia were originally payable. Paid Up policies will not attract bonus with effect from the date of discontinuance of premia<sup>43</sup>. Proportionate bonus shall however be paid on paid up value after completion of 5 years i.e. if a policy remains in force at least for 5 years.

Exception: the above Rule regarding the amount of the paid up policy does not apply to the following cases: -

(i) Where there are arrears of premiums, and

(ii) Where there is any outstanding loan or interest due.

(2) Commutation of future premiums by payment of a lump sum may be permitted at any time.

(3) In the case of policies other than Joint Life Assurance, Children Policy, Anticipated Endowment Assurance policies and 10 Year Rural PLI, conversions involving alteration of policy terms other than reduction, discontinuance or commutation of premia referred to above will be allowed only after payment of premia for an integral number of years and in any case where it is intended to extend the premium term or to defer the maturity date, on the production of a medical certificate of good health at the expense of the assured. Such conversions will be permitted only once on the duration of each policy without a fee. Second and subsequent conversions shall be subject to a small fee not exceeding Rs. 20/- or as may be fixed by the Department, in each case.

(4) No alteration from Anticipated Endowment Assurance and 10 Year Rural PLI policy to other classes of policies or vice-versa, or alterations in the selected term or in the sum assured of the Anticipated Endowment Assurance policy and 10 Year Rural PLI policy will be allowed.

(5) No such conversion of a policy as would put the date of maturity or of cessation of premium to a date preceding or within one year from the date of conversion is admissible.

## **PAYMENT OF POLICIES**

52.(1) (a) An insured person claiming maturity value of the policy shall be required to fill up and sign an application in the prescribed form available at any Post Office or website of the Department, and forward it to the Postmaster /Manager of Central Processing Centre (GPO/Head Office) direct or through any Post Office with the documents prescribed by the Department.

If the premium for any month remained unpaid on the last working day of the month (in case of March it is 1<sup>st</sup> April), the provisions of Rule 56 or 57, as the case may be, will apply. The orders for payment of the amount of maturity value, death claim or survival benefit shall be issued to the concerned Postmaster, under intimation to the claimant. The amount sanctioned shall be paid to the claimant on his surrendering the payee's copy (on the Postmaster's copy if the payee's copy is lost and an endorsement shall be made to this effect duly signed by the payee with witness) of the order at the Post Office and signing a receipt for it, duly stamped, where necessary, on the back of the order. NOTE 2: Postmaster/ Manager of Central Processing Centre (GPO/ Head Office)/Head of Division/Postmaster General may sanction maturity/death claims within the limits prescribed by Director General of Posts from time to time.

NOTE 3: The Department will not be liable for payment of interest for delay on amount of any type of claim/benefit if insurant has not preferred claim on due date.

### 53. Settlement of early death claims

Cases of early death i.e. before completion of 3 years from the date of Acceptance of a policy will be investigated thoroughly to enquire if the insurant while submitting the proposal had suppressed material information which otherwise would not have allowed the proponent to be eligible for PLI/RPLI and it should be examined whether insurant was suffering from any disease prior to taking of a policy, whether there was any deliberate attempt on the part of marketing staff to insure sub standard life or to cause loss to fund and whether the cause of death had any relation to the disease. The Postmaster General after satisfying himself may sanction death claim.

54. In death claim for an amount up to ₹3,00,000/- (₹ three lakh only), where no nomination exists or nominee pre-deceases insurant, the production of succession certificate may be waived by the Head of Circle, provided the case is recommended by the Postmaster General concerned on valid grounds. ## **SURRENDER OF POLICIES**

55. A policy other than an Anticipated Endowment Assurance, 10 Year Rural PLI and Children policy may be surrendered for an immediate payment in cash, provided the policy is of not less than three years duration. where the same will be sent to the concerned approving authority for approval. Further deductions on account of premium from the pay of the insured person shall cease on receipt of instructions of Postmaster/ Manager of Central Processing Centre (GPO/ Head Office) issued after approval of the concerned approving authority. A policy surrendered under this rule shall continue to be in force till the end of the month in which the application for surrender is received by the approving authority concerned and accordingly the premium shall also be payable for the period for which the policy continues to be in force. For policies in respect of which premium is paid annually in advance, surrender value is to be calculated at the end of the year irrespective of the date of surrender but payment of surrender value may be made when the policy holder asks for it. No bonus will be paid in respect of a policy with effect from the date of discontinuance of premia<sup>43</sup>. Proportionate bonus shall be paid on paid up value after completion of 5 years i.e. if a policy remains in force at least for 5 years.

55.1. On receipt of the notice and the documents referred to in this rule, the Postmaster/ Manager of Central Processing Centre (GPO/ Head Office) shall examine the title of the claimant and calculate the surrender value of the policy in accordance with the prescribed formula. The admissible surrender value of the policy should also be communicated to the claimant for sending his consent/dissent in writing regarding taking payment or not taking payment of the admissible surrender value of the policy intended to be surrendered. On receipt of consent of insurant for taking payment of admissible amount of surrender value communicated to him, Postmaster/ Manager of Central Processing Centre (GPO/ Head Office) will approve the case at his own level, if within his powers, or send the case to concerned approving authority for approval. After approval of the case by concerned approver, Postmaster/ Manager of Central Processing Centre (GPO/ Head Office) will issue sanction for payment of admissible amount of surrender value to the concerned Postmaster under intimation to the claimant. The amount sanctioned shall be paid to the claimant on his surrendering the payee's copy of the order at the Post Office and signing a receipt for it, duly stamped, where necessary, on the back of the order. In case of payment through cheque Rule as prescribed in 52(2) may be followed.

55.2 Approving Authority (as modified from time to time by executive order of CGM (PLI), in his discretion, may allow withdrawal of an application for surrender at any time before the surrender value is actually paid to the applicant if sufficient reasons are adduced for such a withdrawal, and if the withdrawal would not adversely affect the interest of the Fund.

The re-instatement of the policy shall be automatic without any further act on the part of the insurant or the Department, subject to continued insurability of the life at the time of payment of arrears, and for that the insured person shall submit declaration of good health;

(i) Provided that if any payment purporting to be premium payments are made during the period of six months mentioned above and if they do not cover all the arrears together with interest thereon required to prevent the policy from becoming void, such payment shall be held in suspense and shall not be considered as payment by way of premium to cover the risk of the life assured. No claim whatsoever shall lie on the Department in the event of death of the life assured during such period when premium/premia are held in suspense and the policy is not re-instated. Such premia as are held in suspense shall be refunded to the policy holder or his/her nominee or his /her legal heir as the case may be, as and when applied for along with interest as prescribed by the Director General of Posts.

## Handling PLI/RPLI Maturity/Survival Claim Cases

### Standard Operating Procedure

#### Background

Life Insurance plans serves multi-dimensional benefits to the insurant. It combines the benefits of a life insurance cover and investment. So, in addition to securing himself/herself and his/her family, it also creates a corpus to meet financial goals at every life stage. PLI/RPLI insurance plans offer amount equal to Sum Assured and Bonus thereon as Maturity Benefit when the policy ends. In addition, Anticipated Endowment Assurance help in creating a regular stream of income throughout the policy duration.

One of the basic and important reasons behind buying a Life Insurance Policy is to accumulate savings for future financial necessities of life. Bringing a new person under the coverage of Postal Life Insurance/ Rural Postal Life Insurance (PLI/RPLI) is just the beginning of our relationship with our customer. We need to be vigilant to ensure that the main aim of our customers for buying a PLI/RPLI policy is not lost sight of. Timely settlement of Maturity claim is one of the most important functions of any Insurance Business. PLI/RPLI is operating in significantly one of the most competitive insurance markets. Delay in settlement of maturity claim has a negative effect on our business and consequently leads to downward trend in PLI/RPLI business apart from having an adverse effect on our goodwill.

In order to expedite the process of settlement of maturity claim cases, it is decided that this specially designed Standard Operating Procedure (SOP) shall, henceforth, be followed by all concerned to facilitate our customers. **The objective is to pay the insurant on the date of maturity of the Policy.**

Policies are of two types based on the mode of premia being deposited viz. Cash Policies wherein premia payment is made by the Insurant directly visiting Post Office or using online payment facility, and Pay Policies wherein the premia is deducted by the Employer from the salary of the Insurant and details updated in McCamish. In case of Cash Policies, the premia payment frequency can be monthly/ quarterly /half yearly/annual.

The intimation will be sent through Registered AD and shall be accompanied will blank Maturity/Survival Benefit claim form with all Enclosure (Annex-II, III & IV).

# **Handling PLI/RPLI Loan Cases**

# Handling PLI/RPLI Loan Cases

## Standard Operating Procedure

### Background

Life Insurance plans serves multi-dimensional benefits to the insurant and include the benefits of life insurance cover, investment and loan facility. So, in addition to securing himself/herself and his/her family, it also creates a corpus to meet financial goals at every life stage. Having a Life Insurance Policy gives comfort of getting loan in case such need arises. Loan against a Life Insurance Policy is not only easy to secure but also its available at interest rate far lower than that of Personal Loan. Since the loan is secured against a well-documented Life Insurance Policy (which acts as a collateral), getting loan is almost hassle free with minimal documentation and almost ZERO chances of rejection of application except on technical grounds.

India Post also offers the loan facility against PLI/RPLI policies to facilitate and help Insurants to fulfil their financial needs. The facility for loan is available in all PLI and RPLI policies except Anticipated Endowment Assurance (AEA), 10 RPLI Policy and Children's Policy. Loans may be secured from India Post or by any other organisation. The extant Postal Life Insurance Rules shall be applicable on all the Loans where PLI/RPLI policy is used as collateral for securing loans. Loans can be availed from India post through Post Offices or from any other Organisation by assigning the Policy.

PLI/RPLI is operating in significantly one of the most competitive insurance markets. Delay in processing loan applications, dissemination of required information etc has a negative effect on our business and consequently leads to downward trend in PLI/RPLI business apart from having an adverse effect on our goodwill.

We need to be vigilant to ensure that the main aim of our customers for buying a PLI/RPLI policy is not lost sight of. Timely settlement of Death claim/ Maturity claim is one of the most important functions of any Insurance Business. PLI/RPLI is operating in significantly one of the most competitive insurance markets. A commitment has also been made by the Department in its Citizen Charter, that death claim of PLI/RPLI would **be settled within 30 days in respect of normal claim cases and 90 days in respect of cases involving Inquiry**. However, it is observed that against the norm of 30 days, all India average number of days taken to settle a PLI death claim is 62 days. Similarly, the average number of days taken to settle a RPLI death claim is 64 days. In respect of death claim cases requiring inquiry, average number of days taken by majority of Circles to settle/reject the case is more than the prescribed 90 days. This has a negative effect on our business and consequently leads to downward business trends in PLI/RPLI business apart from having an adverse effect on our goodwill.

## Overview of Core Insurance Solution

Functions catered by Core Insurance Solutions are as follows:

1. **Product Information:** Provides all information related to all the PLI and RPLI products for use by post office users.
2. **New Business Quote:** Post office users can generate new proposal quotes at the counter, based on product type, sum assured and age of the proponent for use of agent / proponent. The quote gives details of the amount of premium to be paid (based on frequency of premium payment i.e. monthly, quarterly, half yearly & annualy) against the sum assured opted by proponent.
3. **Quote :** Post office users can generate the quote for revival, surrender, commutation, conversion , loan based on the policy status.
4. **New Business Indexing:** New proposal form along with requisite documents is submitted at the counter by proponent / agent. The post office user indexes the proposal with basic data entry in this user interface. The proposal number is generated against which initial premium is accepted and receipt in duplicate is generated.

In Central Processing Centres, proposal form and supporting documents are scanned and uploaded in the Enterprise Content Management System, and after that workflow management is activated for further processing.

5. **Inbox:** This is used by users with roles like Data Entry & Quality Checker at Central Processing Centres, approvers at head post office,

division and circle level. Data Entry user enters all the mandatory details and Quality checker checks these details and forwards / submits the proposal, claim & service requests for approval. Approvers at all levels can approve, reject or redirect the proposal, claim and service requests through inbox.

6. **Service Request Indexing:** There are two types of service request financial (claims, surrender, commutation, loan etc) or non-financial (change of address, nominee, agent etc). Service requests are indexed at the counter when customers visit and submit the form with supporting documents. The form along with supporting documents are forwarded to Central Processing Centres. In Central Processing Centres, form and supporting documents are scanned and uploaded in Enterprise Content Management System, after that workflow management including Data Entry, Quality Check & Approval is processed, and letter is generated and disbursed in case of claims, surrender, loan.
7. **Collection:** Post office user at the counters, collects initial/ renewal/ revival premium and loan repayment at counter.
8. **Policy Search:** Using policy search the post office user helps insurant to search policy, its details, history, download duplicate receipts and premium paid certificates for Income Tax Return (ITR). Post office users can also search the status of all the policy service requests submitted by insurant.
9. **Customer Search:** Customers can be searched through customer ID and some basic details of the customer.
10. **System Admin:** This module helps in up keep of user accounts at circle/region/division and head post office levels. System admin can create users, update user profiles, reset password, unlock the user, transfer the user from one Post Office to another and allocate the different groups/roles and queue.
11. **Agent Management:** This module is used at division level and helps in management of advisors / agents & medical examiners, which includes creation, deleting, deactivating, activating of agents and also deals with renewal of licenses. Agent maintenance is part of PMACS (Producer Management & Compensation system) which is a component of Core Insurance Solution. In addition post office users can generate the medical examiner fee report.
